Cellar up to 10 Years

### TASTING NOTE

Our flagship Clone 7 Cabernet Sauvignon opens with deep aromas of blackberry, blueberry, and cassis, complemented by subtle hints of cedar, tobacco, and vanilla imparted by oak aging. On the palate, it unveils layers of espresso, supported by velvety tannins and a firm structure that promises excellent aging potential.

### BLOCK 7 VINEYARD

This 15-acre block is exclusively planted with our historic Concannon Clone 7 vines. Every stage of production undergoes meticulous monitoring, ensuring that only the finest fruit and barrels from each vintage are selected for bottling.
